

Call for entries ECWS 2021

Dear Members!

NAS is a member of the European Confederation of Watercolour Societies ECWS. Each year one of the societies hosts an exhibition to which all member societies are invited to participate. This year the German Watercolour Society DAG (Deutsche Aquarell Gesellschaft) is looking forward to inviting us to a symposium with exhibition, workshops, and a gala dinner. We encourage our members to apply for a place in the exhibition by submitting a digital file by email to nasjury@gmail.com

Your entry will be forwarded to the country representatives on the board of NAS who will select the 14 works to represent NAS in this exhibition.

Deadline: 1 May 2021 6pm

Any submission after this time will not be considered

Conditions

Applicants must have paid the annual fee for 2021 to NAS.

The work may not previously have been shown in a NAS or ECWS exhibition

Each applicant may submit 1 (one) entry. Please use the headline ECWS 2021. In the email please state your name, address, phone number, title of the work, and size of the work. Please enclose the digital photo as a jpg file of 1-3 mB. Make sure the photo resembles your original work as close as possible. The photo must be directly from the front with good lighting and must be cropped to size with no framing visible.

We reserve the right to reject works that differ significantly from the submitted digital entry or that do not comply to the requested size specifications.

Submitted works must fit the given sizes to fit the framing:

Paper sizes: 56x76cm or 38x58cm (vertically or horizontally)

Passepartout cutouts: 50x70cm and 35x50cm (vertically or horizontally)

Send your application to nasjury@gmail.com

Participation

By 15 May you will be notified whether your work has been selected to the exhibition. You will at this stage receive shipping details. If you are selected, you are expected to participate.

Participation fee for *selected* artists is 100 Euro (plus shipping costs). The fee includes exhibition, framing, photography, design and printing of the catalogue, 1 copy of the catalogue for each exhibitor, and opening ceremony.

Selection criteria

Quality of the work is our utmost priority but apart from that we wish to give as many members as possible the chance to participate - therefore in the case we are wavering between two participants we will favour the one who has not previously been represented at an ECWS exhibition. We look forward to receiving a variety of interesting works to represent NAS in Ulm. The country representatives on the board of the Nordic Watercolour Society will solely decide which applicants will be selected for the exhibition. Submitting your entry is free of charge. Should your work be selected, the participation fee is 100 Euro.

Symposium

The symposium is welcome to everyone whether you are an exhibitor or not. Accompanying guests are also welcome. Registration starts 1 April online at www.ecws2021.de

Symposium fee is 150 Euro covering welcome bag, wine evening, material experiences, vernissage, exhibition NWS, city tour, demonstrations, gala dinner. Should you wish to take part in the workshops there will be an extra cost.

Further information

Should you have any questions you are welcome to contact your country representative
