

Welcome to the Nordic Watercolour Society

Member benefits:

- the quarterly art magazine *akvarellen*, featuring Nordic and international watercolour art (fully illustrated)
- information regarding art material, courses, travels and other events
- invitation to various activities such as annual meetings, painting sessions, member meetings, symposiums, and exhibitions
- invitation to apply for residency at the Nordic Watercolour Museum in Sweden
- networking with watercolour painters and enthusiasts in your region and in the other Nordic countries
- access to post photos of own works on the NAS Facebook group
- offer of having own presentation on www.nasmembers.org

The Nordic Watercolour Society

- operates on a Nordic foundation for the development of watercolour painting and to enable the public to encounter high-quality watercolour art
- is open to all: professional artists, hobby painters and watercolour enthusiasts
- regularly arranges juried exhibition to which all members may apply as well as curated exhibitions to which individual members are invited

About akvarellen

The member magazine of the Nordic Watercolour Society *akvarellen* is distributed 4 times per year. In each issue you may find 4-5 articles about watercolour art and artists primarily focused on Nordic art as well as information from the society and advertisements. On our website you may find table of contents for issues more than 10 years back as well as English summaries of all printed articles

Become a member

Please transfer the member fee to the appropriate account in your country. Amount and account number may be found on our website. Should you join mid-year you will be sent the back issues already distributed during the year. Any questions: please contact a board member. Contact information may be found on our website.
